# COMPANY INTRODUCTION

## **SATNAM SINGH & SONS**

Is the leading importer of Air compressor, Agriculture power sprayer, Car washers, High Pressure Washers , Vacuum Cleaner, Paint spray Gun, PVC spray Hose, Pneumatic tool and power tools.

Speedways and Speedman are registered trademarks of the company. Starting the journey from 2021, we have spread our nation-wide foot prints with the continuous and study supplying of Superior Grade products and their spare parts since inception the brand Speedway and Speedman has gained acceptance all our the country.

Our head quartered in Ludhiana (Punjab) , the company has diversified its business in Pneumatic and power tools categories. We also supply our various products under the brands viz. NEWMATIC, FASTAG, XTRA-SPEED , TRUMAN, STEEL HORSE, FIRST FLY ,FINISHER and KISAN TECH. We had made advancement in our product development based on quality control and proper testing of products. With years of experience, innovation and technical know-how in designing and developing machine and tool that give efficient results which meet customer requirements.

By delivering values to our customer, our commitment to quality, advance products and good after sale service is our motto.

## COMPANY MISSION

Our Mission is to provide the highest Quality Industrial and domestic Products with a wide range and best service to our buyers in the shortest period of time with the best prices in the market competition

## QUALITY ASSURENCE

Our Mission is to provide the highest Quality Industrial and domestic Products with a wide range and best service to our buyers in the shortest period of time with the best prices in the market competition
